

VOLTAS · beko

A **TATA** Product

PARTNER OF
everyday
HAPPINESS

Refrigerator | Washing Machine | Microwave | Dishwasher

Voltas, established in 1954 and part of the Tata Group, has evolved into India's leading and most trusted air conditioning brand. Beko, an international home appliance brand under the Arcelik Group, is owned by Koc Holding, a Fortune Global 500 company in Europe. The collaboration between Voltas and Beko, known as Voltas Beko, is founded on the principles of trust and technology.

Voltas Beko products are specifically designed for Indian households as part of the government's 'Make in India' initiative. We manufacture Direct Cool Refrigerators, Frost Free Refrigerators, Top Load Washing Machines, and Front Load Washing Machines at our factory in Sanand, Gujarat. Additionally, we are continuously introducing new and customized features to our products, aiming to simplify the lives of Indian consumers and become their partner in everyday happiness.

Partner of everyday happiness

PROUDLY **MADE**  **INDIA**

REFRIGERATORS

With their world class technology and state of the art design, Voltas Beko Refrigerators are a perfect fit for your home!

New

HARVESTfresh™

The all new innovative 3 colour light technology simulates the 24 hour sun cycle that preserves Vitamin A & C in fruits and vegetables inside the fridge.

New

11_{in}1
**CONVERTIBLE
REFRIGERATOR**

11-in-1 Convertible

Allows you to easily switch between several cooling modes.

New

6_{in}1
ADJUSTABLE

Adjustable Refrigerator

Adjust between modes effortlessly to suit your needs.

StoreFresh+™

Keeps fruits and vegetables fresh for up to 30 days.

NeoFrost™ Dual Cooling Technology

Two separate cooling circuits for faster and more even cooling.

ProSmart™ Inverter Compressor

The smart cooling system enables the fridge to cool faster while consuming less energy.

IonGuard™

IonGuard technology produces negative ions which keep bacteria at bay.

Active Fresh Blue Light™

Simulates natural lighting conditions which helps fruits and vegetables retain Vitamin C.

LED Lighting

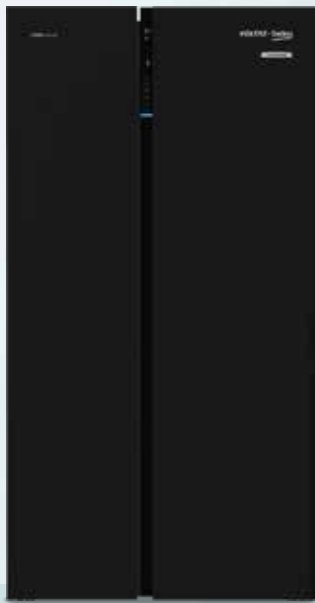

Provides better lighting inside the fridge.

DIRECT COOL SINGLE DOOR REFRIGERATORS

Made for Indian families, made in India

PROUDLY
MADE IN INDIA

Fresh Box™

Locks in humidity to keep fruits and vegetables fresh.

Crisper Humidity Control

A large crisper with temperature stabilisation to prevent fruits and vegetables from drying up.

FlexLift™

Can be adjusted according to preferred height.

Quick Freeze

Ensures rapid ice generation for your convenience.

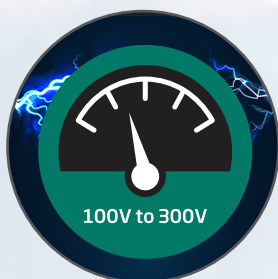

Base Drawer

Extra space for storing products such as potatoes and onions.

Safe Box™

Additional door rack with a flap to keep small things secure.

Stabiliser-free Operation

Stabilises the fluctuation in electricity.

Toughened Glass Shelves

Can hold heavy pots and bowls (up to 135 kg*).

WASHING MACHINES

Voltas Beko Washing Machines combine efficiency with the latest technology to ensure you're never short of clean, fresh, soft, and fragrant clothes!

FRONT LOAD WASHING MACHINES

Leave your laundry to the expert

PROUDLY
MADE
INDIA

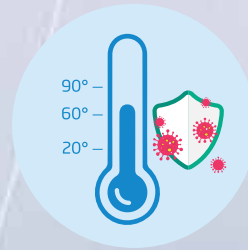

SteamWash™

Uses steam to ensure your laundry is smooth and spotless.

StainExpert™

Removes 26 different types of tough stains with 3 soil level options.

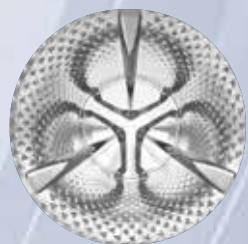

Hygiene+

The perfect laundry for sensitive skin and babies.

Auto Dose

Detects and uses detergent automatically for up to 23 wash cycles.

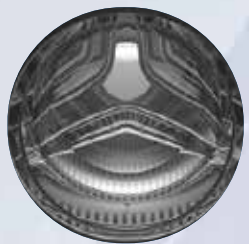

GentleWave™

Distinct design which gives garments a thorough yet gentle wash.

Fast+

Additional air vents to remove excess moisture from clothes.

Drumclean Program

Makes sure that the drum gets cleaned automatically.

Silent Tech™

Ensures a noise-free laundry experience.

Touch Control

Allows you to operate the machine easily.

HomeWhiz™

Connects your smartphone to your washing machine, so you can control it from anywhere inside the house.

ProSmart™ Inverter Motor

Enhances the machine's performance while consuming less energy.

Daily Express

A short wash cycle designed for a quick load of laundry.

Features may vary from one product to another.

TOP LOAD WASHING MACHINES

Effortless laundry experience

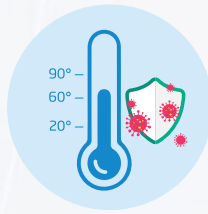

Fountain Wash

Enables better mixing of detergent and less tangling of clothes.

SteamWash™

Loosens up stains and minimises creases by passing steam through clothes.

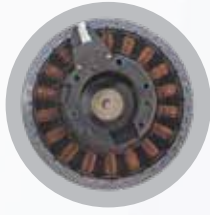

Hygiene+

Targets bacteria and viruses for a germ-free wash.

IPX4 Control Touch Panel

Protects control panel from water splashes.

Silent Inverter Motor

Powerful yet silent operation.

Jet Wash

A special tap which throws water at high speeds for better mixing of detergent.

Toughened Transparent Glass Lid

Durable and wider lid for better visibility during the wash cycle.

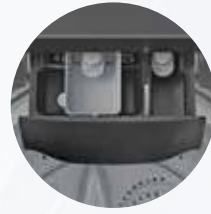

Hand Wash

Allows cuffs and collars to be cleaned by hand during the wash cycle.

Monsoon Dry

Special spin mode that ensures better drying of clothes within 30-90 minutes.

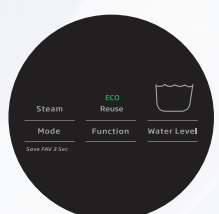

Detergent Drawer

Separate compartments for softener and liquid detergent.

Soft Closure Lid

Hydraulics to ensure that the lid closes gently each time.

Eco Wash

Reduces water usage by almost 40%.

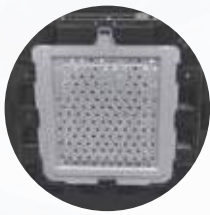

Silent Mode

Reduces noise during the wash cycle.

Inbuilt Heater

In-built water heater for better dirt and germ removal.

DISHWASHERS

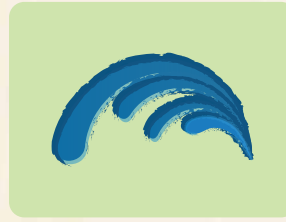

Spotless and stain-free dishes

AQUAINTENSE™

Cleans all types of dishes including heavily soiled pots using a specially designed 360° rotating head, which increases the cleaning performance by upto 5 times.

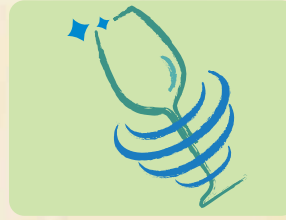

AQUAFLEX™

Provides efficient and gentle washing for all kinds of dishes, be it porcelain or plastic.

CORNERINTENSE™

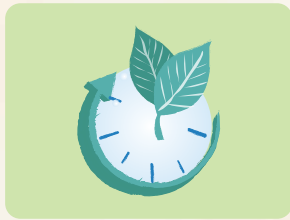

An elongated spray arm ensures that even dishes kept in the corners of the dishwasher come out spotless.

ULTIMATE GLASS CARE

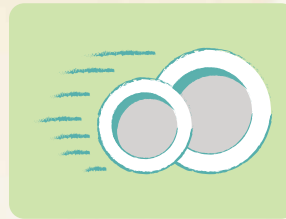

GlassShield™ Technology prevents your glass dishes from corrosion.

SteamGloss™ Technology improves the glossiness of your glassware by upto 23%.

PROSMART™ INVERTER MOTOR

An energy-efficient magnetic motor, which reduces friction, produces fewer vibrations, and creates lesser noise due to the absence of bearings.

FAST+

Makes your dishwasher 70% faster than an average dishwasher, speeding up the wash cycle by 3 times.

MINI 30' PROGRAM

Saves time and energy by washing a full load of lightly soiled dishes and glasses at 35°C in 30 minutes.

HOMEWHAZ™

The advanced HomeWhiz™ mobile app lets you control your dishwasher from anywhere at home.
